New
Programs

"Newsongs exist to inspire and enable children and families to express themselves through music."

Born-performers will sing a variety of old and new show tunes, learning to sing with expression (and good technique) to sing solo and harmony parts and to move while singing. Drama students learn monologues and group scenes with fundamental acting skills. Excellent as a stand-alone class or in addition to voice lessons. Call for audition appointment.

Summer show: **Alice in Wonderland and A Merry Unbirthday**

Auditions: May 4th - 6th by appointment
